The City of York Local Plan will now be subject to an independent examination to be conducted by the Planning Inspectorate. This is a continuous process running from the date of submission through to receipt of the appointed Planning Inspector's Report. Part of this process will involve hearing sessions where attendees will have the opportunity to respond to matters raised by the appointed Planning Inspector. The submission of further written material to the examination will be determined by the Inspector.

Once confirmed, all details relating to the examination process will be advertised, made available on line and sent to all respondents.

To assist the independent Inspector through the examination an independent Programme Officer Carole Crookes has been appointed. Carole is responsible for all procedural matters of the examination and all future correspondence with respondents to the Local Plan regarding the examination will be via her.
