

LOCATIONS WITHIN THE KNOWLEDGE TEST

Please note the following locations may appear in the knowledge test. You will be asked the shortest route in distance between two locations from a list of four possible answers.

The Universities (various parts of their campus), the city's colleges and schools

The bar walls and bridges

Popular restaurants, pubs, nightclubs and hotels

The hospital, doctor's surgeries, ambulance service/fire stations

Places of worship

The major employers' offices/factories

The city's railway station and park and ride sites

All major tourist attractions

Cinemas and theatres

Caravan sites

Residential care homes and student accommodation

Major sporting venues, community sports grounds and leisure centres

The courts and police stations

City centre shops, out of town shopping centres

Supermarkets, banks/building societies and post offices

All Council premises, libraries, community centres and well known meeting venues

Parks and greens

Popular wedding venues

In addition to finding your way between these venues (some of which are in outlying suburbs and villages), you will also be asked to name the streets on which places are located.

Additionally, the tests include questions on the pedestrian zone as well as 'no entry' streets and one way streets.
