Dear Mr Berkeley and Mr McCormack

Many thanks for your letter dated 24th July regarding the examination of the City of York Local Plan. We are in the process of undertaking a review of the points you have raised to identify those which require further clarification and supporting technical evidence to be provided. Whilst we have commenced working on our response, as you note, some points will require time to be fully addressed and we are currently assessing the scope of the work required. We will be in touch again in the first week of September in order to set out in detail our timetable for our full response.

We look forward to continuing to work with you on the progression of the examination and in the meantime please do not hesitate to contact me if you wish to discuss any of the matters raised.

Yours sincerely

Rachel Macefield
Forward Planning Team Manager
