Key Diagram	Objection - need to explain what the white areas to the north of Strensall and to the south of Wheldrake indicate.	178/13887	York Council for Voluntary Service
	Objection - British Sugar should correctly be titled 'Site ST1 – British Sugar/Manor School' to be consistent with the allocation within the remainder of the draft Local Plan. The new railway station/halt identified at the British Sugar site should be annotated as a potential new railway station/halt on the key diagram key.	434/16567	Associated British Foods plc
	Objection - Mineral Safeguarding Areas should be shown on the key diagram.	531/16695	Mineral Products Association
	Support - it is considered that the key diagram which accords with good practice fairly reflects the policies and proposals set out elsewhere in the plan. We support the land use principles set out in the key diagram.	534/16705	DPP One Ltd
	Objection - Land at Common Road and Hassacarr Lane, Dunnington should be excluded from the green belt.	6160/15670
