

ID	Site	Obj/Supp/Comm	Summary	Respondent (names of individuals removed)
13004	GT1	Objection	Object to the removal of site ahead of the completion of the GTAA Update.	
74	GT1	Support	Support removal of site as it is green belt and access to services is totally inadequate.	Rufforth and Knapton PC
2453	GT1	Support	Support for the removal of site	
2554	GT1	Support	I very much welcome the removal of the Traveller's site. The allocation of this site would have caused issues with, loss of Green Belt, traffic, HGV's, surface water, drainage and loss of community spirit.	
4299	GT1	Support	Approve of the removal of the 30 pitch travellers site near Harewood Whin. Hopefully its removal will become permanent.	
4648	GT1	Support	Support the removal of site GT1 from the Plan.	
6222	GT1	Support	Support decision not to use the land for the use of Travellers and would ask to put it back into the Green Belt	
8026	GT1	Support	Support removal of site as it is green belt and access to services is totally inadequate.	
10946	GT1	Support	I feel that the Local plan, insofar as it affects Rufforth, has achieved the right balance between housing growth and the need to retain the Green Belt.	
10948	GT1	Support	I strongly oppose this travellers site.	
12118	GT1	Support	Supporting the omission of traveller sites from the Local Plan.	
12660	GT1	Support	We welcome this decision to omit the proposed travellers site from the plan, on the grounds that this is Green Belt land and access to appropriate services is inadequate.	
12819	GT1	Support	Welcome the decision to omit the travellers site.	
13127	GT1	Support	Relieved this site has been deleted and trust that this is now dead and buried.
