

Local Plan Pre- Publication Draft 2018 Summary of Consultation Responses

ID	Policy	Obj/Supp/Comm	Summary	Respondent (name of individuals removed)
Policy WM1				
386	WM1	Comm	This should include requirement for new commercial developments to include separate recycling as well as waste storage facilities. Add reference to new food premises having provision for food waste collection, separate from recycling and other waste collection and requirement to store waste within the site prior to collection.	York Green Party
10379	WM1	Comm	Concerned about how sewage will handle extra development as the River Foss currently takes Earswick, Towthorpe and Strensall.	
11	WM1	Obj	Under the boxes for Policies WM1 and WM2 there is a 'See also: Policy ...' line. It would be useful if the one for WM1 was cross-referring to WM2 and vice-versa.	North Yorkshire County Council
74	WM1	Supp	Appreciate that Waste Management and Harewood Whin are not covered in detail in the Local Plan, however we note that it is covered in the Minerals and Waste Joint Plan and are supportive of the policies contained therein with reference to Harewood Whin especially the recognition that the site is in the Green Belt.	Rufforth with Knapton Parish Council
13520	WM1	Supp	Supports sustainable waste management.	Strensall with Towthorpe Neighbourhood Plan Steering Group

Local Plan Pre- Publication Draft 2018 Summary of Consultation Responses

ID	Policy	Obj/Supp/ Comm	Summary	Respondent (name of individuals removed)
Policy WM2				
386	WM2	Obj	Reference should be made to ensuring mineral exploitation takes full account of residential amenity and the unique heritage on which so much of York's economy now depends. Add Iv Biodiversity, environmental , heritage, transport and residential amenity considerations will be carefully considered when suitable sites are being selected.	York Green Party
13003	WM2	Obj	Sites should be refused to any company planning to frack for shale gas from a site.	Rachael Maskell MP
13520	WM2	Supp	Policy is supported as it should ensure that any waste is re-used where possible.	Strensall with Towthorpe Neighbourhood Plan Steering Group
