Guidance notes on applying for an Animal Activities Licence

Guidance Note 1 – Application process

The steps involved in the application process are set out below. Wherever possible, we aim to complete the application process within 10 weeks of receiving the application.

1. The applicant submits their application form and the relevant application fee to the local authority.
2. A suitably qualified inspector will arrange to visit the relevant premises and carry out an inspection to establish if a licence can be granted and what star rating will apply to the premises concerned (the length of licence to be issued will depend on the star rating awarded by the inspector).
3. The applicant is informed of the outcome of the inspection, the star rating that will apply and the length of licence that they have been deemed eligible for.
4. The applicant will pay any invoice relating to vet inspection fees (if applicable)
5. Once any applicable vet inspection fees have been received, the licence will be issued for the relevant period of time.
