Section one - Introduction

1.1 Scope of the policy

We have three Gypsies and Travellers sites, these are in:

- Clifton (23 pitches)
- James Street (20 pitches)
- Osbaldwick (18 pitches)

This policy sets out the way in which vacant pitches will be allocated and was approved by committee in December 2015, with minor amendments August 2017.

Each plot has an amenity space with kitchen and bathroom. Utilities are paid by the pitch holder to the relevant organisations.

Permission is for one tourer and one static caravan per pitch. Requests for extra caravans must be in writing and sent to City of York Council, permission may be granted depending on need and size of pitch (fire regulations will apply)

1.2 Objectives of the policy

The objectives of the policy are to:

- To meet the legal requirements of the Mobile Homes Act 1983.
- Make sure that those assessed as being in most need are prioritised;
- Be fair, efficient and consistent in the allocation of pitches; and
- Ensure equality of opportunity in the allocation of pitches.

1.3 Meeting our obligations

City of York Council will ensure that the policy is compatible with existing legislation, including: (this list is not exhaustive but not final)

Information will not be given to third parties unless consent has been given by the applicant; however consent will not be required where there is a public safety interest or to prevent crime.

1.5 Equal opportunities

City of York Council tries to ensure it's policies and practices are non discriminatory and will aim to promote equal opportunity by preventing and eliminating discrimination on the grounds of gender, colour, race, religion, nationality, ethnic origin, disability, age, HIV status, sexual orientation or marital status. It is the responsibility of the applicant to provide the information/documentation. If they do not, the application will not proceed.

It is the responsibility of the applicant to notify Housing Registrations Team of any change in circumstances that could affect their application. The application will be reassessed on the basis of their changed circumstances and placed in the band that reflects their current housing need.

If an application is moved to a higher band as a result of changed circumstances then the priority band date will be the date that the change was notified.

If the band remains the same, the date of priority band will also remain the same.

3.2 Keeping the register up to date

The waiting list is reviewed annually, all applicants will be contacted and asked if they want to remain on the register. Failure to respond within 28 days, will result in the application being cancelled.

3.3 Cancelling applications

Applications may be cancelled in the following circumstances:

It is a criminal offence for anyone applying for housing from a housing authority to knowingly or recklessly give false information or knowingly withhold information which is relevant to their application.

Anyone found guilty of such an offence may be fined up to £5000 and could lose the property if they have been housed as a result of providing false information or deliberately withholding information.

Applicants who are found to have made a fraudulent claim will have their application cancelled and will not qualify to apply to join the waiting list for a minimum period of 12 months.

This decision will be subject to review and the applicant will be informed in writing of the decision and their right to request a review of that decision in writing.

Applicants can make a fresh application after this time period has expired. The new application will be assessed on current information. Banding date will be from the date of the new assessment.

City of York Council may take action against any professional organisation that knowingly or recklessly either provides false information or deliberately withholds information on behalf of an applicant they are presenting.

3.5 Deliberately worsening of circumstances

Every application will be assessed individually and any applicants who are found to have deliberately worsened their circumstances will have their application cancelled.

Applicants can seek a review of this decision.

Applicants will not qualify to apply to join the waiting list for a minimum of 12 months.

Applicants can make a fresh application after this time period has expired (unless allowed to do so earlier by having their application successfully reviewed)

Banding date will be from the date of the new assessment.

3.6 Right of Review

Applicants have the right to request a review against decisions made in the allocations process. These include;

The request for a stage 1 review should be submitted to the relevant team/manager within 21 days of the date of the original decision letter. The reviewing officer will advise the applicant, in writing, of the stage 1 decision.

Stage 2

Applicants have the right to a second (stage 2) review if they remain dissatisfied. Applicants who require a stage 2 review should advise the reviewing officer, in writing, within 21 days of the stage 1 decision letter. Additionally applicants have 14 days from the date of their request for a stage 2 review to submit any information on relevant developments since the original decision they wish to be considered. This review will be carried out by an officer of City of York Council senior to that of the Stage 1. The officer will make a decision within 56 days of the date of the applicant's written request. However the officer reserves the right to extend the decision time. In the event more time is required the applicant will be advised in writing and provided with a reason for the time extension. A stage 2 review is a paper review but at the officers discretion this can include a conversation or meeting with the applicant.

Section Four - Assessing Applications and Offers

4.1 Assessing your band

Depending upon your circumstances you will be placed in one of the priority groups listed on the following page.

Overcrowding is defined as when there are more vans on a pitch than is permitted. You must have permission to be staying on the pitch from the landlord.

For houses, the definition contained within the North Yorkshire Home Choice Policy will apply.

Priority group A

• You have a caravan or access to a caravan, which is your principal home, but have had nowhere to locate it for at least six months. *You may need to provide evidence of this and a home visit will be required to verify this. You will also need to provide a contact address.*

Priority group B

- You are living on a council pitch with permission from the landlord which is overcrowded.
- You are living on a private pitch with permission from the landlord which is overcrowded.
- You are living in a house with permission from the landlord which is overcrowded.

Priority group C

- You are living on a council owned pitch with permission from the landlord which is not overcrowded.
- You are living in a house with permission from the landlord that is not overcrowded.
- You are living on a private pitch with permission from the landlord that is not overcrowded.

Priority group D

- You have a caravan or access but nowhere to locate it and have lived like this for less than six months

4.2 Exceptional circumstances

We may, in exceptional circumstances, take other needs into account when prioritising applicants;

An assessment of need will be made based on the information included on the application and any other supporting information. Written evidence from a professional is required in these cases.

Factors we may consider in exceptional circumstances include for example:

<i>Factors</i>	<i>Example</i>
Medical or support	The need to be close to medical or support facilities
Social	The need to give or receive care and support to or from family or carers
Specialist Education	The need to be close to specialist education facilities.

4.3 Allocations between the priority groups

When a pitch becomes vacant consideration will in the first instance be given to applications in priority group A. If there is no one in priority group A applicants in priority group B will be considered.

If there is no one in either priority groups A or B consideration will be given to applicants in priority group C lastly D.

Allocations within each group will usually be based upon date of application (with the exception of proven exceptional circumstances). The applicant with the earliest date of application will be eligible to receive the offer of the pitch.

4.4 Before we make an offer

Before we make an offer of a pitch we reserve the right to take account of the needs of the wider community and the impact that the allocation could have on the site and the size of the pitch to be allocated.

4.5 Offers

If an applicant refuses an offer they can remain on the waiting list. If they refuse a second offer the application start date will change to the date of the refusal of the second offer.

4.6 Agreement Type

You will be signed up to a traveller site pitch agreement, which is a licence not a secure tenancy. There is no right to buy applicable.

Section Five - Period of Exclusion

The City of York Council recognises the Government's commitment to encouraging inclusion and social stability and will use this policy to encourage access for all applicants in housing need, including those that are socially disadvantaged. This will be achieved by ensuring that each application is treated on its individual merits.

Statutory and regulatory guidance

The Code of Guidance (Allocation of Accommodation June 2012) and Localism Act 2011 explains that Local Authorities may wish to adopt criteria which would not qualify individuals who satisfy the reasonable preference criteria eg antisocial behaviour. CYC has retained the principles of the previous 'unacceptable behaviour test.'

Assessing qualification

City of York Council will consider an application to join the register where a history of unacceptable behaviour is proved, if the applicant is attempting to modify that behaviour with the help of a recognised support agency and that agency will continue the support if/when the applicant is housed.

City of York Council will ensure that the process for assessing qualification is both fair and effective in the management of the traveller housing stock. In reaching a decision on whether or not an applicant does not qualify on the grounds of unacceptable behaviour, all relevant information will be taken into account, including whether the behaviour could have been due to a physical or learning disability or mental health problems.

Grounds for lifting non qualifying status

The basic principle for lifting the non qualifying status will be evidenced material change in the applicant's circumstances. For example:

- Where an applicant has been guilty of unacceptable behaviour, the applicant has demonstrated a material change in their behaviour.
- The applicant has in place a recognised support package that addresses previous misconduct and will continue once housing has been offered under the scheme.
- The relevant conviction has become spent.
- The applicant is addressing their arrears and debts for a minimum of 13 weeks. An affordability assessment may be required.

A fresh application will need to be made by the applicant where they have previously been non qualifying and feel that their behaviour should no longer be held against them as a result of changed circumstances.

<i>Qualification reasons and circumstances where a disqualification will apply</i>	<i>Rules and period of disqualification</i>
