Dear Neil

Consultation on the Draft York Local Plan- Proposed Main Modifications (Feb 2023)

Thank you for consulting North Yorkshire County Council (NYCC) on the Proposed Main Modification and update Evidence Base to the City of York Council Local Plan. North Yorkshire County Council welcomes the opportunity to provide comments on the above documents. The County Council are pleased to see the Plan being progressed towards adoption and acknowledge the comprehensive work that has been produced.

York is an important driver for growth, both within the York, North Yorkshire and East Riding LEP area and the Leeds City Region. The County Council supports the City of York to adopt an up to date and high quality Local Plan that best enables it to unlock economic growth and prosperity for the benefit of its communities and those of its wider hinterland.

Officers from across our service areas have reviewed the consultation documentation and have no comments to make in relation to the Plan's legal and procedure compliance and the soundness of the proposed Main Modifications.

If you would like to discuss any aspect of this response, please do not hesitate to contact my colleague [REDACTED] Senior Policy Officer, who can be contacted via email [REDACTED] and will be happy to assist.

Yours sincerely,

Nic Harne
Corporate Director of Community Development
