Q22

Do you support or object to the proposed modification(s)?

Support

Q23

If you object, please select your reason from the list below (select all that apply):

Respondent skipped this question

Q24

Please set out the reasoning behind your support or objection: Please note there is a 1000 character limit, therefore if your reason for support or objection is longer than this, please summarise the main issues raised.

The dedicated LCWIP for York is a good step forward in improving the city's cycling and walking infrastructure. This plan is absolutely necessary to reduce car traffic in the city, reducing overall commute times and to improve air quality. The modification to include the LCWIP in the new Local Plan is welcome, although it is important that the specific schemes mentioned in the previous version of the plan are still implemented, along with what is already included in the LCWIP.
