If you object, please select your reason from the list below (select all that apply):

Not positively prepared - i.e. strategy will not meet development needs

Not justified - i.e. there is no evidence to justify the modification

---

Not effective - i.e. it won't work

---

Not consistent with national policy - i.e. doesn't comply with the law

**Q24**

Please set out the reasoning behind your support or objection: Please note there is a 1000 character limit, therefore if your reason for support or objection is longer than this, please summarise the main issues raised.

---

I oppose the removal of Green Belt designated land (PMM18) at St. Peter's on the grounds of openness, the special character of the area and the importance of the green wedge that links the City Centre to the Site of Special Scientific Interest of Clifton Ings and Rawcliffe Meadows. What incentive could possibly persuade Councillors, particularly, Green Councillors, to vote to deprive York of the precious Green Belt protection for this wedge of land?
