Q22

Do you support or object to the proposed modification(s)?

Object

Q23

If you object, please select your reason from the list below (select all that apply):

Not positively prepared - i.e. strategy will not meet development needs

Not consistent with national policy - i.e. doesn't comply with the law

Q24

Please set out the reasoning behind your support or objection: Please note there is a 1000 character limit, therefore if your reason for support or objection is longer than this, please summarise the main issues raised.

The Local Plan Draft included Policy D3 Cultural Provision and planned for a Supplementary Planning Document. Council members have supported this policy for many years. The decision not to require the SPD is ill-founded, and counter to the views expressed by the Local Plan Working Group. Its absence means the Plan does not meet NPPF requirement para 93. It is counter to the council's endorsement of York's culture strategy and to York as a UNESCO Creative City of Media Arts. The decision will have the effect of reducing economic activity, leading to inequalities of health outcome and stunting our future. .
