Q22
Do you support or object to the proposed modification(s)?

Object

Q23

If you object, please select your reason from the list below (select all that apply):

Not justified - i.e. there is no evidence to justify the modification

Q24

Please set out the reasoning behind your support or objection: Please note there is a 1000 character limit, therefore if your reason for support or objection is longer than this, please summarise the main issues raised.

Several reasons, mainly floodlighting - general light pollution but especially for nearby residents. The digging up of grass verges to widen the road - we need more grass verges, not fewer, to help ease flooding; the fact that it is a flood plain will mean that a lot of work will be needed to alleviate that; increased volume of traffic in an already busy area and the loss of a safe and quiet place to walk. place
