Q22

Do you support or object to the proposed modification(s)?

Object

Q23

If you object, please select your reason from the list below (select all that apply):

Not positively prepared - i.e. strategy will not meet development needs

Not justified - i.e. there is no evidence to justify the modification

Not effective - i.e. it won't work

Not consistent with national policy - i.e. doesn't comply with the law

Q24

Please set out the reasoning behind your support or objection: Please note there is a 1000 character limit, therefore if your reason for support or objection is longer than this, please summarise the main issues raised.

The reasons for this land being part of the Green Belt are argued in minute detail, very persuasively in the City of York Local Plan document. St Peter's School then publicly complained about the Local Plan in 2022, arguing that it would restrict their commercial expansion. This alone has resulted in the PMM18 modifications, which will be to the detriment of the thousands of residents who live in and travel through this historic area of York. There was no justification given for this modification and if approved it would make a mockery of the excellent work that went into the Local Plan. Adopting this modification is purely about appeasing a single lobbying organisation - which is shameful.
