**Q22**

Do you support or object to the proposed modification(s)?

Object

**Q23**

If you object, please select your reason from the list below (select all that apply):

---

Not positively prepared - i.e. strategy will not meet development needs

---

Not justified - i.e. there is no evidence to justify the modification

---

Not effective - i.e. it won't work

---

Not consistent with national policy - i.e. doesn't comply with the law

**Q24**

Please set out the reasoning behind your support or objection: Please note there is a 1000 character limit, therefore if your reason for support or objection is longer than this, please summarise the main issues raised.

---

The application isn't consistent with achieving sustainable development. Not justified when considered against reasonable alternatives. Inconsistent with national policy. Increases flood risk. Increases car journeys. Risks urban sprawl and fails to preserve the setting and special character of historic towns.
