Historic England is the Government’s statutory adviser on all matters relating to the historic environment in England. We champion and protect England’s historic places, providing expert advice to local planning authorities, developers, owners and communities to help ensure our historic environment is properly understood, enjoyed and cared for.

Thank you for consulting Historic England on the above document. At this stage we have no comments to make on its content.

If you have any queries or would like to discuss anything further, please do not hesitate to contact me.
